

Society for Adolescent Health and Medicine (SAHM)
2022 Virtual Annual Meeting
March 9-11, 2022

CME/CE Evaluations and Certificates

Within one week after the conference, participants who purchased CM/CE will receive an email with a link and detailed instructions to complete your online evaluations and print your certificate. **Live participants are asked to complete your evaluations by April 18, 2022.**

There will be separate evaluation links for the Live Version and Recorded Version of the conference. Please be aware that not all sessions will be offered as recordings due to planned breakout sessions. You cannot claim live and recorded credit for the same session. The attendance log below has been provided to help keep track of the sessions you attend, both live and as recordings. Credit will only be awarded for session(s) you have attended in full; no partial credit will be awarded. After you have completed the session evaluations, you will immediately be able to print your CME/CE Certificate.

More information on continuing education, including accreditation provided and individual session descriptions, is available at <https://www.adolescenthealth.org/Meetings/2022-Annual-Meeting/Learner-Notification.aspx>.

For continuing education questions, contact SAHM Senior Education Administrator, Melanie Hein, at mhein@adolescenthealth.org.
