

SAHM EMERITUS PAID MEMBERSHIP POLICY

A member may apply for and be granted Emeritus Status by action of the Board of Directors.

Requirements for consideration for Emeritus Membership shall be:

Active membership in the Society for twenty five (25) consecutive years, and
Retirement from full time professional activities; applicants may not be working more than 50% time

OR

Active membership in the Society for twenty (20) consecutive years, and
Permanent disability precluding the performance of full-time professional activities; applicants may not be working more than 50% time.

Individual Emeritus Status members may request reduced fee structures.

A reduced fee structure for Emeritus Status will be determined by the Secretary-Treasurer in consultation with the Membership Committee and Executive Committee, and will include options for:

- a) Reduced membership dues with a subscription to the Society's Journal;
- b) Reduced membership dues without a journal subscription; and
- c) Reduced registration fees to annual meetings.
