SIG Meeting Request Instructions

Request Deadline: October 7, 2025

Submit a Request

This year, we're excited to offer Special Interest Groups (SIGs) the opportunity to host impactful virtual meetings for all SAHM Members and attendees – regardless of whether they are attending this year's Annual Meeting. This is your chance to dive into key issues, enable the exchange of ideas, and foster collaboration on clinical or research projects.

The Program Committee invites SIGs to host a virtual meeting leading up to the SAHM Annual Meeting or shortly after. **For SIGs that are unable to meet virtually, a limited number of opportunities are available to meet at the SAHM Annual Meeting.** Please note that meeting opportunities are limited due to space constraints at the venue.

SIGs can choose to either:

- Host a virtual meeting two weeks prior to the Annual meeting between February 16 - 27, 2026

or

- Host a virtual meeting the week immediately after between March 9-13, 2026

or

- Host an in-person meeting during the SAHM Annual Meeting between March 3-6, 2026

Please note: SIGs can host either one virtual meeting or one in-person, but not both.

Before you begin the submission process, carefully read the following:

- SIG Meetings are one hour long and do not offer CME/CE.
- Only currently established SIGs are eligible to submit a meeting request. [Visit the SAHM SIG webpage](#) for a complete list of established SIGs as well as information on how to form a new SIG.
- Proofreading is the responsibility of the submitting organizer. Review and proofread your submissions carefully. Submissions will be listed exactly as the meeting request is submitted on the SAHM meeting website and in the mobile app.
